

Tiptree Community Website. We sometimes find people are searching for information that we haven't got yet, so why not put your organisation on the site with a **FREE** entry.

Email: [sue.shepherd@talk21.com](mailto:sue.shepherd@talk21.com)

- A brief description of the organisation
- When and where the organisation meets, just regular meetings not a full calendar of events
- Contact details (e.g. name / phone / email / address)
- A link to the organisation's own website, if possible, or how to find more details / the latest information
- A small iconic photo (something that represents your organisation or a logo)

The intention is to start with organisations related to leisure activities, charities, volunteering, churches and religion, playgroups, social groups.

As well as this community information, the intention is to build up more information about Tiptree, the local environment, local events and local business. If anybody else could provide some useful information about Tiptree, please get in touch with Sue.

If you like you can send your info as attachments to an email. Word documents or rich text files accepted.

You can also post it to 5, Morley Road, Tiptree, CO5 0AA, but Sue would prefer it in electronic form as it saves her (a volunteer) time and avoids errors.
