Unless your options are very limited, it is better for my creating a schedule if you tell me your preferences and when you can't collect. Or **Please indicate your preferred locations to collect using the options below (circle your acceptable locations)**. If it is simpler please indicate the times you are available or not by indicating in one or more of the boxes below. Please note that we may not need you to cover all the times you specify below. Please be as flexible as possible. Your allocated times will be confirmed, as soon as I've completed the schedule, by email, phone or letter. Please return this form to me as soon as possible so that I can draw up the rota.

Please give me an idea of how many slots you'd be happy to cover; preferred times and how frequently you could manage to collect in the box immediately below:

Please write **P** in your preferred slots, X in the ones you can't do and leave any slots that you wouldn't mind covering blank. Thank you.
